

March 19, 2020

To: Contractors and Building Owner Representatives
From: R. Kaese Dillman Chief Elevator Inspector
Subject: Temporary Inspection Suspension

To all, due to the recent outbreak of the coronavirus the State of Maryland Elevator Safety Inspections Department is temporarily suspending final inspections and alteration inspections on all elevators, escalators and lifts. This unprecedented measure has been taken to help prevent the spread of the coronavirus and to keep the inspection staff, building personnel, test crews and the general public safe. If your inspection was already scheduled it will be pushed back approximately 30 days. My staff will be reaching out to you to confirm the new date. We apologize for any inconvenience this may cause however the health and well-being of all Marylanders must remain priority number one. Thank you for your cooperation and understanding in this matter.

Respectfully,

R. Kaese Dillman

R. Kaese Dillman Chief Elevator
State of Maryland
